

Riccardo Magnani

Curriculum Vitae - July 2020

Professional Address

CEPN - Université Paris 13 and Sorbonne Paris Cité
UFR de Sciences Economiques et Gestion
99, Avenue Jean-Baptiste Clément
93430 Villetaneuse, France
Email: riccardo.magnani@univ-paris13.fr

Born in Verona (Italy) on September 28, 1975
Citizenship: Italian and French
Marital status: Married, 2 children

Profession

09/2009 - Associate professor with tenure (Maître de Conférences)
at Université Paris 13
2007-2012 Researcher at CEPII

Education

2002 - 2006 **PhD in Economics** at Université de Cergy-Pontoise, France.
Thesis defended on December 13, 2006.
GRADE: Very Honorable with Unanimous Jury Congratulations.
THESIS TITLE: “Evaluation of the effects of population ageing: an integrated micro-macro simulation approach”.
SUPERVISOR: Jean Mercenier.
THESIS COMMITTEE: Antoine d’Autume (President), Bruno Decreuse, Frédéric Docquier (Referee), Jean Mercenier (supervisor), Marcel Mérette (Referee), and Alain Trannoy.

2001 - 2005 **PhD in Economics** at Università di Verona, Italy.
Thesis defended on May 4, 2005.
THESIS TITLE: “Evaluation of the effects of population ageing using OLG models”.
SUPERVISOR: Federico Perali.

2001 - 2002 **DEA (Research Master) in International Economics** at Université de Cergy-Pontoise, France. Grade: 16.22/20

2000 - 2001 **Master in Economics** at CORIPE-Piemonte, Università di Torino, Italy. Grade: A+

1994 - 1999 **Laurea in Economia e Commercio** at Università di Verona, Italy. Grade: 110/110 *cum laude*

Research fields

CGE models; OLG models; Microsimulation models; Population ageing; Pension economics.

Refereeing Report

Economics Bulletin, Economic Modelling, Emerging Markets Finance and Trade, Journal of Macroeconomics

Teaching

Université Paris 13 (in french)

- Applied macroeconomics I (Master 1), since 2009.
- Behavioral finance (Master 1), since 2009.
- Macroeconomics and economic policies (Licence 1), since 2009.
- Applied macroeconomic modeling (Master 1), since 2011.
- Applied microeconomics (Licence 3), since 2016.
- Public economics (Licence 2), since 2016.
- General equilibrium modeling (Master 2), since 2019.

University of Ottawa (in english)

- Macroeconomic Theory III, 2014, 2015, 2016 and 2018.
- Macroeconomic Theory IV, 2018.
- Introduction to general equilibrium modelling, 2015 and 2016.

Université Cergy-Pontoise (in french)

- Economic fluctuations (Master 1), 2007-2008 and 2008-2009.
- General equilibrium modeling (Master 2), 2007-2008.

Collective Responsibilities

2014-2019: Director of the Master 1 “International economics and regulation (EIR)” at Université Paris 13.

2012-: Co-supervisor (with Jean-Michel Courtault) of the PhD thesis of Marie-Claude Kamar “Evolution démographique au Liban : Impact sur le système de retraite et conséquences macroéconomiques” at Université Paris 13.
