4th WORKSHOP ON APPLIED MACRO- ECONOMETRICS

MSH de Paris Nord, on Wednesday October 12th 2016

Labex MME-DII

The Labex MME-DII, together with the universities listed below, is organizing its 4th workshop in applied macro-econometrics on October 12th in Paris (France).

The goal of this workshop is to bring together European applied macroeconomists to discuss current frontier research on a regular basis.

Applications from economists from all French and European institutions are welcomed in all fields of applied macroeconomics and applied econometrics including financial, international, monetary, fiscal and non-linear econometrics. Empirical contributions are welcome.

A special session on spatial econometrics applied to macroeconomics will be organized.

The workshop is a one day workshop, which will take place in Paris at MSH Paris Nord on October 12th.
